

Weekly Learning Schedule for June 1-5, 2020

Here is the suggested learning schedule for this week. Remember that you do not have to stick to this schedule, it is just a suggestion. If you would like to do the activities in a different order, that is okay. You should be aiming for about 1-2 hours of schoolwork each day.

Monday	Tuesday	Wednesday	Thursday	Friday
Question of the Week At some point this week, go onto the classroom website and answer the Question of the Week. My website can only hold 10 original comments at a time, so if yours disappears, that's why. Make a comment sometime throughout the week and see what your classmates have said. For privacy reasons, we have been asked to only add initials to our comments on my class website.				
Reading (30 min.) - Read your novel - Complete the Monday job - Connection on the Reading Log sheet .	Reading (30 min.) - Read your novel - Complete the Tuesday job - Question on the Reading Log sheet.	Science (60 min.)
