

Weekly Learning Schedule for May 11-15, 2020

Here is the suggested learning schedule for this week. Remember that you do not have to stick to this schedule, it is just a suggestion. If you would like to do the activities in a different order, that is okay. You should be aiming for about 1-2 hours of schoolwork each day.

Monday	Tuesday	Wednesday	Thursday	Friday
Question of the Week At some point this week, go onto the classroom website and answer the Question of the Week. My website can only hold 10 original comments at a time, so if yours disappears, that's why. Make a comment sometime throughout the week and see what your classmates have said. For privacy reasons, we have been asked to only add initials to our comments on my class website.				
Reading (30 min.) - Read your novel - Complete the Monday job - Connection on the Reading Log sheet .	Reading (30 min.) - Read your novel - Complete the Tuesday job - Question on the Reading Log sheet.	Science (30 min.) - Choose an animal documentary on YouTube, Netflix, or Disney+. - Complete the Adaptations 3 worksheet while you watch. - Upload to FreshGrade	Reading (30 min.) - Read your novel - Complete the Thursday job - Prediction on the Reading Log sheet.	Reading (30 min.) - Read your novel - Complete the Friday job - Summary on the Reading Log sheet. - Upload to FreshGrade.
Writing (30 min.) - Week 3 of our Creature project will focus on Food and Education . Today, open the outline page, read through the instructions, and brainstorm some ideas. Like last week, if these topics don't "fit" for your creature, think of a different way to write about your creature.	Zoom Meeting (11:00) I emailed the Zoom meeting information to parents on Monday morning. - I will be teaching a short Math lesson about Circles ***Please have a whiteboard, marker, and calculator available if you have one.	Writing (30 min.) - Write a few paragraphs about your creature's Food and Education . Make sure that you answer each of the questions that are listed in the project outline. This should be 1-2 paragraphs. This can be handwritten or typed.	Writing (30 min.) - Illustrate your creature's Food and Education . Your illustration should match your written description. Your illustration should be a full page, and must be fully coloured.	Writing (30 min.) - Catch up on any unfinished work on your creature project. - Upload your pages to your FreshGrade. - If you have all your writing complete, write a journal entry about your favourite vacation, or a topic of your choice.
Math (30 min.) - Complete the Math Minute worksheets on the website, or attached to the email.	Passion Project (30. Min.) - a new project that we will be working on over the next several weeks. - Read over the Passion Project outline and think of ideas. - Get started if you have an idea already! - If you have something to show, upload a picture to FreshGrade	Math (30 min.) - Watch the video about Calculating Circumference . - Log into Khan Academy . - After logging in, click on Assignments on the left side, and follow through the new videos and assignments about Circumference of Circles. <i>(this will also be covered in the Zoom meeting)</i>	Math (30 min.) - Complete the sheet Circumference Practice to practice the skills from Tuesday and Wednesday. Use a calculator! - Upload to FreshGrade	Math (30 min.) - Play Prodigy - Last week I added a new assignment about Decimal Operations . - There is also a new mode called Crystal Caverns , where you get to take your character on an adventure.
Daily Jobs Physical Activity (30-45 min. everyday) - participate in our 100 km Challenge for May . Go for a walk, run, or bike ride and record your distance.				
Optional Jobs for Throughout the Week Art/ADST/Other - Build something out of LEGO, do a craft, draw, paint, KidsArtHub on Youtube, bake, cook... your choice! - Try the websites that are on my page. If you can't find your password, email Mr. Zellman. - Visit Ms. Morris' Music website and do her Weekly Challenge for Intermediates. https://emorrismusic.wixsite.com/morrismusic - Visit Mrs. Bonin's website and do her Challenge of the Week. https://boninjess.wixsite.com/mrsbonin				

Assignments to Upload to FreshGrade

1. "[Animal Adaptations 3](#)" worksheet – watch a documentary and complete activity
2. "[Calculating Circumference](#)" worksheet – practice skills
3. "[Reading Log – May 11-15](#)"
4. "[My Creature – Food and Education](#)" – the fourth week of our writing project. Upload your paragraph and illustration of your creature's habitat
5. "[Passion Project Week 1](#)" – we are starting a passion project, where the students choose what to work on. If they have anything to share this week, post a picture. This week might just be brainstorming though.
