

Time Travel
Canada 2050 AD

This week you will take your time machine 30 years into the future to the year 2050! You will travel to Prince George, and see what you and your friends are doing in the future. You will be in your 40s! What will your life be like in 30 years?

While in your city, explain the following:

1. What would you wear so people didn't know you were from 2020?
2. What is different in Prince George in 30 years?
3. What are you and your friends doing in the future?

What does your character see while in 2050?

Who do they meet along the way?

What do people do for fun in the future?

What new technologies exist in the future?

Some things to consider:

What buildings in Prince George are still around in 2050?

How have things changed in 30 years?

What jobs exist in 2050?

You MUST include a detailed, coloured, illustration to go along with your writing!

Have fun with this and make it interesting as you get to decide what happens on your travels.

When you are done this section, please upload to FreshGrade. I'm excited to see what you come up with!
